

Around the World (In Eighty Days)

[Bing Crosby](#)

Around the world I've searched for you
I traveled on when hope was gone to keep a rendezvous
I knew somewhere, sometime, somehow
You'd look at me and I would see that smile you're smiling now
It might have been in county down
Or in New York, in gay Paris or even London Town
No more will I go all around the world
For I have found my world in you
It might have been in county down
Or in New York, in gay Paris or even London Town
No more will I go all around the world
For I have found my world in you
