

Dear God

Avenged Sevenfold

A lonely road crossed another cold state line
Miles away from those I love, purpose hard to find
While I recall all the words you spoke to me
Can't help but wish that I was there, back where I'd love to be, oh yeahDear God, the only thing I ask of You
Is to hold her when I'm not around, when I'm much too far away
We all need that person who can be true to you
But I left her when I found her and now I wish I'd stayed
Cause I'm lonely and I'm tired, I'm missing you again, oh no, once againThere's nothing here for me on this
barren road
There's no one here while the city sleeps and all the shops are closed
Can't help but think of the times I've had with you
Pictures and some memories will have to help me through, oh yeahDear God, the only thing I ask of You
Is to hold her when I'm not around, when I'm much too far away
We all need that person who can be true to you
I left her when I found her and now I wish I'd stayed
Cause I'm lonely and I'm tired, I'm missing you again, oh no, once againWell, some search never finding a way
Before long they waste away
I found you, something told me to stay
I gave in to selfish ways
And how I miss someone to hold when hope begins to fadeA lonely road crossed another cold state line
Miles away from those I love, purpose hard to findDear God, the only thing I ask of You
Is to hold her when I'm not around, when I'm much too far away
We all need the person who can be true to you
I left her when I found her and now I wish I'd stayed
Cause I'm lonely and I'm tired, I'm missing you again, oh no, once again
