

Guilty

Gladys Knight

Shadows falling, baby, we stand alone
Out on the street anybody you meet got a heartache of their own
(It oughta be illegal)
Make it a crime to be lonely or sad
(It oughta be illegal)
You got a reason for livin'
You battle on with the love you're livin' on
You gotta be mine
We take it away
It's gotta be night and say
Just a matter of time
And we got nothing to be guilty of
Our love will climb any mountain near or far, we are
And we never let it end
We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky
I don't wanna hear your goodbye
Oh!

Aaah!
Pulse's racing , darling
How grand we are
Little by little we meet in the middle
There's danger in the dark
(It oughta be illegal)
Make it a crime to be out in the cold
(It oughta be illegal)
You got a reason for livin'
You battle on with the love you're buildin' on
Together
You gotta be mine
We take it away
It's gotta be night and day
Just a matter of time
And we got nothing to be guilty of
Our love will climb and mountain near or far, we are
And we never let it end

We are devotion
And we got nothing to be sorry for
Our love is one in a million
Eyes can see that we got a highway to the sky

I don't wanna hear your goodbye

Barry

Don't wanna hear your goodbye

Together

I don't wanna hear your

And we got nothing to be guilty of

Our love will climb and mountain near or far , we are

And we never let it end

We are devotion

And we got nothing to be sorry for

Our love is one in a million

Eyes can see that we got a highway to the sky

Don't wanna hear your goodbye

Don't wanna hear your

And we got nothing to be guilty of
