

# I Dont Want This Night To End

Luke Bryan

Girl, I know I don't know you  
But your pretty little eyes so blue,  
Are pulling me in like the moon on your skin  
I'm so glad you trusted me to slide up on this dusty seat  
And let your hair down, and get outta townGot the stars comin' out,  
Over my hood  
And all I know now  
Is it's going goodYou got your hands up,  
You're rocking in my truck  
You got the radio on,  
You're singing every song  
I'm set on cruise control  
I'm slowly losing hold of everything I got  
You're looking so damn hot  
And I don't know what road we're on,  
Or where we've been from starin' at you  
Girl, all I know is I don't want this night to endGonna cuss the morning,  
When it comes  
'Cause I know that the rising sun,  
Ain't no good for me  
'Cause you'll have to leave  
Gonna make the most of every mile  
Do anything to make your smile,  
Land on my lips  
And get drunk on your kiss  
The clock on the dash,  
Says 3:35  
There's plenty of gas,  
And the night's still aliveYou got your hands up,  
You're rocking in my truck  
You got the radio on,  
You're singing every song  
I'm set on cruise control  
I'm slowing losing hold of everything I got  
You're looking so damn hot  
And I don't know what road we're on,  
Or where we've been from starin' at you  
Girl, all I know is I don't want this night to endYou got your hands up,  
You're rocking in my truck

You got the radio on,  
You're singing every song  
I'm set on cruise control  
I'm slowing losing hold of everything I've got  
You're looking so damn hot  
And I don't know what road we're on,  
Or where we've been from starin' at you  
Girl, all I know is I don't want this night to end  
I don't want this night to end  
No I don't want this night to end
