The Real Deal

Tower Of Power

How can I convince you it's the real deal baby
Make you realize that you're the one
How can I convince you it's the real deal baby
It's the real deal, you're the oneShould I stand on my head?
Do a little dance?
Are you lookin' for some comfort or a sizzlin' romance?
Should jump through some hoops?
Tell some funny jokes?
Or send a dozen roses to impress your folksTell what it is you want me to do
I'll do anything that you want me toHow can I convince you it's the real deal baby
Make you realize that you're the one
How can I convince you it's the real deal baby
It's the real deal, you're the one
Should I act part the fool?
Sweep you off your feet?
Turn the temperature up &
Make you feel the heat
Should I make with the charm?
Be suave and debonair?
Sacrifice _____
You can call me PiÃ©rTell what it is that you want me to do
I'll do anything that you want me toHow can I convince you it's the real deal baby
Make you realize that you're the one
How can I convince you it's the real deal baby
It's the real deal, you're the oneit's the real deal baby
it's the real deal baby
It's the real deal, you're the one
Should I act some kind of mis-fit
In a _____ suit
If I have to be sentimental
Would you find me cute?
Should I wine and dine your daughter (with)
Champagne and Caviar
Just to let you know
How important you areTell what it is you want me to do
I'll do anything that you want me toHow can I convince you it's the real deal baby
Make you realize that you're the one
How can I convince you it's the real deal baby
It's the real deal, you're the one(repeat)it's the real deal baby

it's the real deal baby
It's the real deal, you're the one
