

# Downtown

Petula Clark

When you're alone and life is making you lonely  
You can always go, downtown  
When you've got worries all the noise and the hurry  
Seems to help I know, downtown Just listen to the music of the traffic in the city  
Linger on the sidewalk, where the neon signs are pretty  
How can you lose? The lights are much brighter there  
You can forget all your troubles, forget all your cares So go  
Downtown, things will be great when you're  
Downtown, no finer place for sure  
Downtown, every thing's waiting for you Don't hang around and let your problems surround you  
There are movie shows, downtown  
Maybe you know some little places to go  
To where they never close, downtown Just listen to the rhythm of a gentle bossa nova  
You'll be dancing with 'em too before the night is over happy again  
The lights are much brighter there  
You can forget all your troubles, forget all your cares So go  
Downtown, where all the lights are bright  
Downtown, waiting for you tonight  
Downtown, you're gonna be alright now Downtown And you may find somebody kind to help and understand  
you  
Someone who is just like you and needs a gentle hand  
To guide them along so maybe I'll see you there  
We can forget all our troubles, forget all our cares So go  
Downtown, things will be great when you're  
Downtown, don't wait a minute more  
Downtown, everything is waiting for you  
Downtown, downtown, downtown, downtown
