Conversation

Steve Miller Band

I wanna talk to you
Tell me would you like to chat
I wanna talk to you
And we can leave it at thatI wanna speak to you
Tell me what you have to say
I wanna speak to you
Every night and every dayConversation
You can say what you like
Conversation
We can talk it all nightWhy don't you speak to me
Don't you know how I feel
Why don't you speak to me
And tell me it's for realI wanna speak to you
Of the pompitous of love
Episметology
Is what I'm thinking ofConversation
You can say what you like
Conversation
We can talk it all nightI wanna talk to you
Tell me would you like to chat
I wanna talk to you
And we can leave it at thatI wanna speak to you
Of the pompitous of love
Episметology
Is what I'm thinking ofConversation
You can say what you like
Conversation
We can talk it all night
