

# Raoul And The Kings Of Spain

## Tears For Fears

When the seventh of the seventh son  
Comes along and breaks the chains  
Raoul, Raoul, Raoul and the Kings of Spain  
Making it plain, making it sane  
To turn this loss into a gain  
Raoul, Raoul, Raoul and the Kings of Spain  
Did you know your father was an island?  
Did you know your mother was the sea?  
Can we ever hope to seek asylum?  
From the bounds of fate and family  
When the seventh of the seventh son  
Comes along and breaks the chains  
Raoul, Raoul, Raoul and the Kings of Spain  
Making it plain, making it sane  
To turn this loss into a gain  
Raoul, Raoul, Raoul and the Kings of Spain  
Raoul, Raoul, Raoul and the Kings of Spain  
Did you know all mothers come from Heaven?  
Did you know all fathers come from Hell?  
That is why they're at sixes and sevens  
That is why their marriage isn't well, Raoul  
When the seventh of the seventh son  
Comes along and breaks the chains  
Raoul, Raoul, Raoul and the Kings of Spain  
Making it plain, making it sane  
To turn this loss into a gain  
Raoul, Raoul, Raoul and the Kings of Spain  
Raoul, Raoul, Raoul and the Kings of Spain  
The Kings of Spain, the Kings of Spain  
The Kings of Spain, the Kings of Spain  
The Kings of Spain, the Kings of Spain  
The Kings of Spain, Raoul
