

# Struggla

## Matisyahu

Struggla, me nah give up  
Struggla, me nah give up  
Struggla, me nah give up  
Open up the gate, let my prayer rise up  
And I struggle everyday just to get myself up  
From the force of gravity that keeps sinking my ship  
Time and again, one is bound to slip  
We rip through these days  
We flip through the age, survive, stay alive  
We won't trip in the haze or get lost in the maze  
I know it's just a phase but I dread it, dread it, dread it
