

Weep In Silence

Uriah Heep

You who thought your eyes could tell no lies
So your life became a compromise
And it was you who had seen men dyin'
You heard their children cryin'
While their women weep in silence And you who thought you were so wise
Succeeded only in disguise
Now and then you'd find a bridge to cross
Reach the other side and you'd still be lost
Evaded by the sweet smell of life And the people that you try to show the way
Never believe you, never believe you, no way
And the people that you try to show the way
Never believe you, never believe you, no way And the people that you try to show the way
Never believe you, never believe you, no way
And the people that you try to show the way
Never believe you, never believe you And you who thought you were so wise
Succeeded only in disguise
Now and then you'd find a bridge to cross
Reach the other side and you'd still be lost
Evaded by the sweet smell of life While your women weep in silence
Your women weep in silence
Women weep in silence
