

These Walls Are Thin

The Boxer Rebellion

Look brave, look brave, my innocent
Don't talk, these walls are thin
Shield your ears
Shield your ears from your vertigo
Won't hear us roam 'round here again
Just stay where you are
Don't start, don't start
So here we are now
Misguided, misguided casualty
Always more concerned about TV
Take a break, take a break in luxury
Satisfaction forever guaranteed
Just stay where you are
Don't start, don't start
So here we are now
