

# You Don't Know What It's Like

## Confederate Railroad

There's a hole in my heart,  
Where your love used to be,  
I've been fallin' apart,  
Since you walked out on me, You just can't understand,  
What you're putting me through,  
You don't know what it's like,  
To lose someone like you, There's a big empty space,  
Next to me on our bed,  
I just lie here awake,  
Going out of my head, Barely just getting by,  
Is the best I can do,  
You don't know what it's like,  
To lose someone like you, You're off somewhere painting the town,  
So unaware of how I'm breaking down,  
You say I'll be alright,  
But that don't make it true,  
You don't know what it's like,  
To lose someone like you, You're off somewhere painting the town,  
So unaware of how I'm breaking down,  
You say I'll be alright,  
But that don't make it true,  
You don't know what it's like,  
To lose someone like you, You don't know what it's like,  
To lose someone like you.
