

# I'd Be Ashamed

Wanda Jackson

Well I picked up the phone to give you a call  
Let it ring but no one answered at all  
I guess you were out with someone new  
Did you forget I had a date with you  
Ah ah ah oh yeah I'd be ashamed You're a little heartbreaker and you seem proud of it  
Breaking hearts right left and you seem to just love it  
Now don't you know it's not the same to do  
Don't you know it might happen to you  
Ah ah ah oh yeah I'd be ashamed Well I'd be ashamed for making me cry  
I'd be ashamed for telling all the lies  
But don't you know you can't play that game  
Ah ah ah oh yeah I'd be ashamed You don't love me at all, you don't care if you show it  
But I'm so much in love I don't care who knows it  
You don't love me and it's plain to see  
You're just a making a fool of me  
Ah ah ah oh yeah I'd be ashamed Someday true love may come your way  
But by then it might be a little too late  
But they might leave you by yourself  
They might leave you settin' on the shelf  
Ah ah ah oh yeah I'd be ashamed Well I'd be ashamed  
Ah ah ah oh yeah I'd be ashamed
