

# Take a Look Around

## Limp Bizkit

All attention in the world today  
All the little girls fillin' up the world today  
When the good comes to bad, the bad comes to good  
But I'ma live my life like I should  
(Like I should) Now all the critics wanna hit it  
Shit can, now we did it  
Just because they don't get it  
But I'll stay fitted  
New era committed  
Now this red cap  
Gets a rap from his critics Do we always gotta cry?  
(Always gotta cry?)  
Do we always gotta be inside a lie?  
(Live inside a lie)  
Life is just a blast movin' very fast  
(Blast, blast, blast, blast)  
Better stay on top or life will kick you in the ass Follow me into a solo  
Remember that, kid  
So what you wanna do?  
And where you gonna run?  
When you starin' down a cable  
Of a mic pointed, that you grill like a gun Limp Bizkit is rocking the set  
It's like Russian roulette  
When you're placin' your bet  
So don't be upset  
When you're broke  
And you're done  
'Cause I'ma be the one  
Till I jet  
(I'ma be the one till I jet) I know why you wanna hate me  
(Why you wanna hate me)  
I know why you wanna hate me  
(Why you wanna hate me)  
I know why you wanna hate me  
(Why you wanna hate me)  
'Cause hate is all the world has even seen lately I know why you wanna hate me  
(Why you wanna hate me)  
I know why you wanna hate me  
(Why you wanna hate me)

Now I know why you wanna hate me  
(Why you wanna hate me?)  
'Cause hate is all the world has even seen lately Why you wanna hate me?  
'Cause hate is all the world has seen, has seen lately  
And now you wanna hate me  
'Cause hate is all the world has seen, has seen lately Does anybody really know the secret?  
Or the combination for this life and where they keep it?  
It's kinda sad when you don't know the meanin'  
But everything happens for a reason  
(Everything happens for a reason) I don't even know what I should say  
'Cause I'm an idiot a loser, microphone abuser  
I analyze every second I exist  
Beatin' up my mind every second with my fist And everybody wanna run  
(Wanna run)  
Everybody wanna hide from the gun  
(Hide from the gun)  
You can take that ride through this life if you want  
But you can't take that edge off that knife  
(No sir) And now you want your money back  
(Your money back)  
But you're denied 'cause your brain's fried from the sac  
And there ain't nothing I can do  
'Cause life is a lesson, you'll learn it when you're through I know why you wanna hate me  
(Why you wanna hate me?)  
I know why you wanna hate me  
(Why you wanna hate me?)  
I know why you wanna hate me  
(Why you wanna hate me?)  
'Cause hate is all the world has even seen lately I know why you wanna hate me  
(You wanna hate me)  
I know why you wanna hate me  
(You wanna hate me)  
Now I know why you wanna hate me  
'Cause hate is all the world has seen, has seen lately Why you wanna hate me?  
'Cause hate is all the world has seen, has seen lately  
Now you wanna hate me  
'Cause hate is all the world has seen, has seen lately Now I know why  
Now I know why  
Now I know why Now I know why you wanna hate me?  
Now I know why you wanna hate me?  
Now I know why you wanna hate me? 'Cause hate is all the world has seen, has seen lately  
'Cause hate is all the world has seen, has seen lately  
'Cause hate is all the world has seen, has seen lately
