

Falling Down

The Commercials

Uh, oh oh, oh x5
You walk and talk
Like you're some new sensation
You move in circles
You don't need an invitation
You spend your money
You can't get no satisfaction
You play it right so you can
get the right reaction
(Pre-Chorus) It won't be long my darling
Pick up the phone
Nobody's on it
Where are your friends now baby
How are the ones supposed to be there for
(Chorus) You (you)
When you're falling down
The world starts spinning out
You (you)
When you're falling down
Now it's not all about
You (you)
When you're falling down
You know I'll be around
When you're falling
down, falling down
(whisper): You're falling down, down, down, you're falling down.
(Verse Two)
What's out of place when you look into the mirror?
The truth is blurry but the lies are getting clearer
Your eyes are fixed, your smile is so elastic
You gave me roses but they're all just made of plastic
(Pre-Chorus) It won't be long my darling
Pick up the phone
Nobody's on it
Where are your friends now
baby
How are the ones supposed to be there for
(Chorus) You (you)
When you're falling down
The world starts spinning out
You (you)
When you're falling down
Now it's not all about
You (you)
When you're falling down
You know I'll be around
When you're falling down, falling down
(Bridge) Smile for the camera, everybody's looking at ya
Smile for the camera, cause they're all
about to trash ya
Smile for the camera, camera, camera, smile for the camera
Who's gonna catch ya?
You (you)
(Chorus) You (you)
When you're falling down
The world starts spinning out
You (you)
When you're falling down
Now it's not all about
You (you)
When you're falling down
You know I'll be around
When you're falling down, falling down
Smile for the camera, Everybody's
looking at ya.
Smile for the camera
Cause they're all about to trash ya.
