its been a long day
without you my friend
and ill tell you all about it when i see you again
weve come a long way from where we began
and ill tell you all about it when i see you again
when i see you again
damn. who knew all the plans we flew. good things weve been through
that ill be standing right here talking to you bout another path
i know youll love to hit the road at laugh
but something told me that it wouldnt last
