ãfžã,ãã,+ãf<ãf>ã,ãfãã,ã,1/2ãf³

Dancin'

Let me see you move, come on

Dancin'

Let me see you moveBaby, love never felt so good

And I doubt if it ever could

Not like you hold me, hold me

Oh baby, love never felt so fine

And I doubt if it's never mine

Not like you hold me, hold meAnd the night is gonna be just fine

Gotta fly, gotta see, can't believe

I can't take it, causeBaby, every time I love you

In and out of my life, in out baby

Tell me, if you really love me

It's in and out of my life, in out baby

So baby, love never felt so goodBaby, love never felt so fine

And I doubt if it was ever mine

Not like you hold me, hold me

Oh baby, love never felt so good

And I doubt if it ever could

Not like you hold me, hold meAnd the night through the thick and thin

Gotta fly, gotta see, can't believe

I can't take it causeBaby, every time I love you

In and out of my life, in out baby

Tell me, if you really love me

It's in and out of my life, in out baby

So baby, love never felt so goodDancin'

Let me see you move, come on

Let me see you move

Dancin'

Let me see you move, come on

I said let me see you move

MichaelAnd the night, that is good

Gotta fly, gotta see, can't believe

I can't take it causeBaby, every time I love you

In and out of my life, in out baby

Tell me, if you really love me

It's in and out of my life, driving me crazy

So baby, love never felt so goodBaby, every time I love you

In and out of my life, in out baby

Tell me, if you really love me  
It's in and out of my life, driving me crazy  
So baby, love never felt so good
