

# Resurrection

Gary Numan

They say I'm unforgiven and I have to pay  
Like I'm the demon resurrection  
They say that I turn innocence to panic  
But I don't care They say that my obsession is unholy  
That I deviate from reason  
They say I make you suffer for my sins  
I hope you forgive me Do you want it?  
Do you want it?  
My desire I sink to my knees  
Head in my hands  
So now I'm just a shadow on their bleeding hearts  
This is why the righteous never learn  
I'm like a dead man hiding in the dark What do you need?  
What do you need? What have we become?  
All that we could be?  
Think of this as mercy, a small gift from me  
What does a confession ever do  
But take my guilt away Do you want it?  
Do you want it?  
My desire I'm leaving you  
I'm leaving for pain  
I'm leaving you now  
I'm leaving you What do you need?
