

I've Got A Crush On You

[Frank Sinatra](#)

How glad the many millions of Annabelles and Lillians
Would be to capture me
But you had such persistence, you wore down my resistance
I fell and it was swellI'm your big and brave and handsome Romeo
How I won you I shall never never know
It's not that you're attractive
But, oh, my heart grew active
When you came into viewI've got a crush on you, sweetie pie
All the day and night time give me sigh
I never had the least notion that
I could fall with so much emotionCould you coo, could you care?
For a cunning cottage we could share
The world will pardon my mush
'Cause I have got a crush my baby on you
