

# **Sophisticated Lady**

**Marcus Miller**

They say into your early life romance came  
And in this heart of yours burned a flame  
A flame that flickered one day and died awayThen with disillusion deep in your eyes  
You learned that fools in love soon grow wise  
The years have changed you, somehow, I see you nowSmoking, drinking  
Never thinking of tomorrow, nonchalant  
Diamonds shining, dancing, dining  
With some man in a restaurant  
Is that all you really want, noSophisticated lady, I know  
You miss the love you lost long ago  
And when nobody is nigh, you crySmoking, drinking  
Never thinking of tomorrow, nonchalant  
Diamonds shining, dancing, dining  
With some man in a restaurant  
Is that all you really want?No, sophisticated lady, I know  
You miss the love you lost long ago  
And when nobody is nigh, you cry
