

Feel My Love

Old Salt Union

Well I know all my time's been decided
And I'll be gone just another couple days
Lord I hear that you swear you don't mind it anymore
But I know it ain't the way it's supposed to be
And I get weary chasing power lines
Two-lane roads and one-night stays
I'm crossing rivers, jumping county lines to get to you
Pretty girl, I count the days.
Can you feel my love, feel my love, feel my love pretty girl
I need to know when I'm gone, can you feel my love?
Can you feel my love, feel my love, feel my love pretty girl
I need to know when I'm gone, will you feel my love?
Well I feel like my heart's been divided.
Gon' rest my bones, try to smoke myself to sleep.
Lord I toss and I turn and I only think of her, wide awake, wonderin' if she thinks of me.
And I get weary chasing power lines
Two-lane roads and one-night stays
I'm crossing rivers, jumping county lines to get to you
Pretty girl I count the days
Can you feel my love, feel my love, feel my love pretty girl
I need to know when I'm gone, will you feel my love?
Can you feel my love, feel my love, feel my love pretty girl
I need to know when I'm gone, will you feel my love?
Can you feel my love, feel my love, feel my love pretty girl
I need to know when I'm gone, will you feel my love?
Can you feel my love, feel my love, feel my love pretty girl
I need to know when I'm gone, will you feel my love?
Can you feel my love, feel my love, can you feel my love?
I need to know when I'm gone, will you feel my love?
