Sucker Punkt

Unjust

i said they wake up on their backs
thinking of the ways to hold me back
step soft, parasite, fuckin punk back up in wall,take it, down.,lost!
free ride free ride things left broken
i've been waiting
for this fucking thing to come out all my liferemain the same fucked up pussy trying to be the one we cannot see lies told,
influence, balance shift living the call, make it, sole, done!ride! shine! whole!raw shit, twisty,
free for all make the raw shit,
strive make it all
