Painted In Gold

Strange Talk

Don't paint me gray like you ran out of colors
Don't breathe too hard, this flame from an ignited spark
Just turn the page, we'll write history together
Where will we land if we take a dive into the dark?This is our domain, we're the king and the queen, we won't fear the pain, no more, no more.This is our domain, we're the king and the queen, we won't fear the pain, no more, we're painted in gold and we'll shine for a lifetime.-- painted in gold and we'll shine for a lifetime-- painted in gold and we'll shine for a lifetimeShow me your hand, lay it all on the table.
Don't count your cards when you know you'll be walking away
Let's take a chance if temptation is forever
Where will this end? Ooh I'll throw it all in just the same.This is our domain, we're the king and the queen, we won't fear the pain, no more, no more.This is our domain, we're the king and the queen, we won't fear the pain, no more, we're painted in gold and we'll shine for a lifetime.-- painted in gold and we'll shine for a lifetime-- painted in gold and we'll shine for a lifetime-- painted in gold and we'll shine for a lifetimeThis is our domain, we're the king and the queen, we won't fear the pain, no more, no more.This is our domain, we're the king and the queen, we won't fear the pain, no more----, we're painted in gold and we'll shine for a lifetime.-- painted in gold and we'll shine for a lifetime-- painted in gold and we'll shine for a lifetime, lifetime, lifetime---
