

# 5gether

## 2Gether

It's 2gether  
It's 2getherNumber 2, G E T H E R  
To the CD you play in you car  
Drive to, cry to, blow that star  
Tiger Woods is 10, strokes under parSo, tell me how far you could get  
At the superstar sideshow? That ain't it  
Don't throw no fit, just ride on the energy  
It's 2gether from now until infinityWe are 5, we are 5  
2gether, 2gether  
We do our thang, baby  
And sing 5getherWe are 5, we are 5  
2gether, 2gether  
We do our thang, baby  
And sing 5gether, yeahSee, all the girls with their hands in the air  
You can tell by the screams this ain't Lilith Fair  
We in a world, now 2G's Dragon Lair  
And we'll take off our shirts if ya double-dog dareSplitting my pants as I sit in the chair  
'Revenge Of The Nerds', funny 'Hollywood Square'  
Tripping, skipping, tobaloo, hoo  
Choo, choo's coming through, fast on the train trackWe are 5  
2gether  
We do our thang, baby  
And singWe are 5  
2gether  
We do our thang, baby  
And sing5 as one, 5 as one, 5 as oneYeah, yeah, rubba, dub, dub  
Sweet love in the tub, we're here to hug  
Kiss and give you back rubs  
Had to scratch our way up from down in the mud  
We weren't discovered in no Mickey Mouse ClubPlaying our dub, looking for a deal  
We're too for real with 5 on the bill  
5 on the court, championship  
Just can't eat one of these potato chips  
It's just the flavor hits as it bumps your hipsThrough the 'Eye Of An Eagle'  
We need no playa hating people  
Sequel, equal to none  
2gether, Masterpiece, job's doneIf there's gonna be 5 of us  
Why not call us 5gether?We are 5  
2gether

We do our thang, baby  
And sing We are 5  
2gether

We do our thang, baby  
And sing We are 5  
2gether

We do our thang, baby  
And sing We are 5  
2gether

We do our thang, baby  
And sing  
5gether, yeah This is a new math fool  
Where 2 to the G, breaks all the rules  
And 1x5 is 2 and 5x the noise coming back at you This a new math fools  
Where 2 to the G, breaks all the rules  
And 1x5 is 2 and 5x the noise coming back at you 5 as one, 5 as one, 5 as one We are 5
