I'd Rather Be With You

Joshua Radin

Sitting here, on this lonely dock Watch the rain play on the ocean top All the things I feel I need to say I can't explain in any other wayI need to be bold Need to jump in the cold water Need to grow older with a girl like you Finally see you are naturally The one to make it so easy When you show me the truth Yeah, I'd rather be with you Say you want the same thing tooNow here's the sun, come to dry the rain Warm my shoulders and relieve my pain

You're the one thing that I'm missing here

With you beside me I no longer fearI need to be bold

Need to jump in the cold water Need to grow older with a girl like you

Finally see you are naturally

The one to make it so easy

When you show me the truth

Yeah, I'd rather be with you

Say you want the same thing tool could have saved so much time for us Had I seen the way to get to where I am today

> You waited on me for so long So now, listen to me say: I need to be bold

> > Need to jump in the cold water

Need to grow older with a girl like you

Finally see you are naturally

The one to make it so easy

When you show me the truth

Yeah, I'd rather be with you

Say you want the same thing too

Say you feel the way I do
