

# Something I Need (Morissette Version)

## Morissette

I had a dream the other night  
about how we only get one life.  
It woke me up right after 2,  
stayed awake and stared at you  
so I wouldn't lose my mind.  
And I had the week that came from hell,  
and yes I know that you could tell,  
but you're like the net under the ledge.  
When I go flying off the edge,  
you go flying off as well.  
And if you only die once,  
I wanna die with ...  
you got something I need  
in this world full of people,  
there's one killing me,  
and if we only die once (hey!),  
I wanna die with you (you, you, you).  
you got something I need  
in this world full of people,  
there's one killing me,  
and if we only die once (hey!),  
I wanna die with you (you, you)  
Last night I think I drank too much.  
Call it a temporary crush  
with broken words I've tried to say,  
honey, don't you be afraid-  
If we got nothing, we got us.  
and if you only die once,  
I wanna die with...  
you got something I need  
in the world full of people,  
there's one killing me,  
and we if we only die once (hey!),  
I wanna die with you (you, you, you).  
You got something I need  
in this world full of people,  
there's one killing me,  
and if we only die once (hey!),  
I wanna die with you (you, you, you).

I know that we're not the same,  
but I'm so damn glad  
that we made it to this time  
this time...  
now  
You got something I need,  
yeah, in this world full of people,  
there's one killing me,  
and if we only die once,  
I wanna die with you-  
You got something I need (oohhh)  
in this world full of people,  
there's one killing me,  
and if we only die once (hey!),  
I wanna die with you (you, you, you).  
You got something I need (something I need)  
in this world full of people,  
there's one killing me,  
and if we only die once (hey!),  
I wanna die with you (you, you).  
And if we only die once (hey!)  
I wanna die...  
If we only live once,  
I wanna live with you.
