

# This Train

Ziggy Marley

This train is bound to glory, this train  
This train is bound to glory, this train  
    This train is bound to glory,  
    This train don't carry unholy  
This train is bound to glory, this train  
    Choo choo choo, choo choo choo  
    Choo choo choo, choo choo choo  
    When I was just a kid  
    My daddy use to sing this song  
    Now I've grown to be a man  
    It lingers deep within my soul  
    Lingers deep within my soul  
This train is bound for glory, this train  
This train is bound for glory, this train  
This train is bound for glory, nobody Rides but the righteous and the holy  
This train is bound for glory, this train  
This train has left the station, this train  
This train has left the station, this train

    This train has left the station,  
    This train carries every nation  
This train is bound to glory, this train  
    Choo choo choo, choo choo choo  
    Choo choo choo, choo choo choo  
    When I was a kid  
    My daddy would sing this song  
    Now I've grown to be a man  
    It lingers deep within my soul  
    Lingers deep within my soul  
This train is bound for glory, this train  
This train is bound for glory, this train  
    This train, gotta get on this train  
    Choo choo choo, choo choo, choo  
    Choo choo choo, choo choo, choo  
    Choo choo choo, choo choo, choo  
    Choo choo choo, choo choo, choo  
    Choo choo choo, choo choo, choo
