

I Will Never Let You Down

Rita Ora

Tell me baby what we gonna do
I'll make it easy got a lot to lose, Watch the sunlight coming through
Open the window let it shine on you, Cos I've been sick and working all week
And I've been doing just fine, You've been tired of watching me
Forgot to have a good time, Boy You can't take it all these spaces
Never keeping it real, I know exactly how you feel When you say you've had enough
and you might just give it up, Oh Ooh
I Will Never Let You Down When you're feeling low on love
I'll be what you're dreaming of, Oh Ooh
I Will Never Let You Down Oh Ooh
I Will Never Let You Down Oh Ooh
I Will Never Let You Down There's a million ways to go
Don't be embarrassed if you lose control, On the rooftop now they know
Your body's frozen and you've lost your soul, Cos I've been sick and working all week
And I've been doing just fine, Hey You've been tired of watching me
Forgot to have a good time, Boy You can't take it all these spaces
Never keeping it real, I know exactly how you feel When you say you've had enough
and you might just give it up, Oh Ooh
I Will Never Let You Down When you're feeling low on love
I'll be what you're dreaming of, Oh Ooh
I Will Never Let You Down Oh Ooh
I Will Never Let You Down Oh Ooh
I Will Never Let You Down Let me take you where you never go
Have a little fun it's the only way we know, Let me show you what you never see
You know how to love only when you're holding me, Ohh When you say you've had enough
and you might just give it up, Oh Ooh
I Will Never Let You Down When you're feeling low on love
I'll be what you're dreaming of, Oh Ooh
I Will Never Let You Down When you say you've had enough
and you might just give it up, Oh Ooh
I Will Never Let You Down When you're feeling low on love
I'll be what you're dreaming of,
