Save Me

Automatic Loveletter

I don't know how to get through this.
I don't know what I keep to hid.
I've been running away, but I'm tired of being on the run.
I see my face in a tombstone.
Looking through the eyes of my body's clone.
Say goodbye to my tears that turn into spears running straight into my bones.
Oh, I've got a secret.
I've got a secret to tell.
Nobody knows me.
Nobody knows me at all.
I've got a secret.
Whoa oh oh
I don't know what I'm doing.
But, it's got me living in my own hell.
I lie through my teeth.
I'm drunk as a leech.
Confessing my sins to an angel.
I'm begging forgiveness.
Cause at the end of the world.
I want to say that I lived.
I don't want to give my soul to the god damn devil.
Save me, save me.
I think I'm ready.
And am I going crazy?
Can anyone help?
I must be out of my mind.
Cause I'm not alright.

No, I'm not okay.
And I'll never see the light.
'Til somebody saves me.
Whoa oh oh oh, Whoa oh oh oh.
This isn't all that I am.
With my head in my hands.
I know deeply truly singing
Na na na na
Somebody, somebody
Save me, save me.
I think I'm crazy.

Save me, save me.
I think I'm ready.
And am I going crazy?
Can anyone help?
I must be out of my mind.
Cause I'm not alright.
No, I'm not okay.
And I'll never see the light.
'Til somebody saves me.
Whoa oh oh oh, whoa oh oh oh
'Til somebody saves me.
I don't wanna give my soul to the god damn devil.
Whoa oh oh oh
'Til somebody saves me
Whoa oh oh oh
Somebody
Somebody
