

Tuesday Heartbreak (featuring David Sanborn)

Stevie Wonder

Tuesday heartbreak seem to be unfair,
'Cause you say that you found another man,
Tuesday break heart, guess you just don't care,
'Cause you found you another manI want to be with you when you're all alone,
I want to be with you when you feel you got, got another man,
You see oh, baby, all alrightI want to be with you when the night time comes,
I want to be with you when the daytime comes,
I want to stay, oh baby, lemme, baby with youTuesday heartbreak seem to be a drag,
When you know that you love her especially,
Catch up baby, catch up with my dreams,
Maybe then I could see you all the timeBut I want to be with you till the night time comes,
I want to be with you till daytime comes,
I want to stay and never go away,
Oh baby, it's alrightI want to be with you till night time comes,
I want to stay with you till the morning runs,
I want to, baby, baby, baby, baby oh baby it's alrightI want to be with you till night time comes,
I want to be with you till the daytime comes,
I wanna stay, oh baby, get away, it's alright
I want to be with you till daytime comes
