

# My Sister Rose

## 10,000 Maniacs

Big big plans are being made  
For my sisters Wedding Day  
We'll have a ball at the sons of Roma Hall  
Family, friends come one and all  
First the best man makes a toast  
To Rocky and my sister Rose  
A life of years, free of tears  
Bottoms up and lots of luck  
Polka, tango everyone  
Cha cha, mambo Rose and Rock alone  
(Ahh)  
Frankie Rizzo and his combo play on  
Single girls all hear the call  
Form a crowd at the back wall  
And when the bouquet flies, each one tries  
To be the best catch and next years bride  
Uncle Sam and Uncle Joe  
Take their places in the row  
They're standing by, side to side  
For dollar dances with the bride  
Polka, tango everyone  
Cha cha, mambo Rose and Rock alone  
(Ahh)  
He's a banker, she'll be well off now  
Sister Rose take your mother's place  
Trade your home and your maiden name  
For list of vows and a veil of lace  
Made a wife of you today, ho  
Now they cut the five tier cake  
That Colucci, he can bake  
A frosted tower of sugar and flour  
For the couple of the hour  
Polka, tango everyone  
Cha cha, mambo Rose and Rock alone  
(Ahh)  
She was born to wear that gown  
Sister Rose take your mother's place  
Trade your home and your maiden name  
For list of vows and a veil of lace  
Made a wife of you today  
But you're my sister Rose the same
