Ooh, bye bye
Ooh, bye byeGoodbye baby, bye bye
Goodbye baby, bye bye
Goodbye baby, bye bye
I'm gonna leave you nowGoodbye baby, bye bye
Goodbye baby, bye bye
Goodbye baby, bye bye
Johnny's going awayYou were wrong, pretty baby, bye bye
Oh, so wrong, pretty baby, bye bye
Yes, so wrong, pretty baby, bye bye
Please don't you cryOh, goodbye baby, baby, bye bye
Goodbye baby, baby, bye bye
Goodbye baby, baby, bye bye
I'm gonna leave you nowBaby, bye bye, baby, bye bye
Baby, bye bye, baby, bye bye
Baby, bye bye, baby, bye bye
Baby, bye bye, baby, bye byeOh, goodbye baby, bye bye
Goodbye baby, bye bye
Goodbye baby, bye bye
Johnny's going awayTake my hand, pretty baby, bye bye
One more time, pretty baby, bye bye
Take my hand, pretty baby, bye bye
Hope you'll understandOh, oh
Goodbye, bay-hey, hey, hey
Goodbye, bay-hey, hey, heyOoh, bye bye
