

Until The End

Breaking Benjamin

So clever
Whatever
I'm done with these endeavors
Alone, I walk the winding way
(Here I stay)
It's over
No longer
I feel it growing stronger
I'll live to die another day
Until I fade away Why give up, why give in?
It's not enough; it never is
So I will go on until the end
We've become desolate
It's not enough; it never is
But I will go on until the end Surround me
It's easy
To fall apart completely
I feel you creeping up again
(In my head)
It's over
No longer
I feel it growing colder
I knew this day would come to end
So let this life begin Why give up, why give in?
It's not enough; it never is
So I will go on until the end
We've become desolate
It's not enough; it never is
But I will go on until the end I've lost my way
I've lost my way, but I will go on until the end Living is hard enough
Without you fucking up Why give up, why give in?
It's not enough; it never is
So I will go on until the end
We've become desolate
It's not enough; it never is
But I will go on until the end I've lost my way
I've lost my way, but I will go on until the end U-uh, u-uh The final fight I'll win
The final fight I'll win
The final fight I'll win

But I will go on until the end
