

Sweet Georgia Brown

Django Reinhardt

Well let me tell you well no chick made
 Could be the same
 As Sweet Georgia Brown.
Crazy feet that dance so neat
 Has sweet Georgia Brown.
 Fella's sigh, and even cry
 For sweet Georgia Brown.
 I tell you just why
 You know I don't lie.
 It's been said
 She knocks them dead
 In any old town.
 Since she came right
 It's a shame
 How she brings them down.
