

Every Day Is a Good Day

Bobby Bones & The Raging Idiots

Every day is a good day
It's how you see it, that's what I say
When you wake up in that mind frame
Singing with the Blue Jays, sipping on a latte
Every day is a good day
Forgot to charge my phone, before I went to bed
Now I gotta get to work but my iPhone's dead
I just missed my mouth, and now it's on my shirt
Ain't got nowhere to park but it could be worse
I know what to do, drop a little Ice Cube
You need to check yourself before you wreck yourself

Because...

Every day is a good day
It's how you see it, that's what I say
When you wake up in that mind frame
Singing with the Blue Jays, sipping on a latte
Every day is a good day
Some dudes texting in the movie and he's lighting up the room
There's a line at the stall and I gotta go soon
The car is on 'E' and I'm almost out of gas
Traffic's backing up, I'm going nowhere fast
When it's raining and I'm soaked
Got no money and I'm broke

Has anyone seen my remote?
But every day is a good day

It's how you see it, that's what I say
When you wake up in that mind frame
Singing with the Blue Jays, sipping on a latte
Every day is a good day
There's a new episode of my favorite show and you ruin it
That one hurt, how 'bout a Spoiler Alert
Every day is a good day

It's how you see it, that's what I say
When you wake up in that mind frame
Singing with the Blue Jays, sipping on a latte

Every day is a good day

It's how you see it, that's what I say

Tell me are you going my way

I'm singing with the Blue Jays

Riding on a Segway

Every day is a good day
Here we go
Nah, nahhh

Nah, nahhh

Nah, nahhh

Nah, nahhh

Nah, nah, nah, nah, nah, nah, nah, nah, nah, na, nahhh
