

High For This (Free n Losh Bootleg)

[Ellie Goulding](#)

You don't know what's in store
But you know what you're here for
Close your eyes
Lay yourself beside me Hold tight for this ride
We don't need no protection
Come alone
We don't need attention Open your hand
Take a glass
Don't be scared
I'm right here
Even though you don't roll
Trust me boy
You wanna be high for this Take it off
You want it off
'Cause I know what you're feeling
It's okay, boy, I feel it too Let it be baby breathe
I swear I'm right here
We'll be good; I promise
We'll be so good Open your hand
Take a glass
Don't be scared
I'm right here
Even though you don't roll
Trust me boy
You wanna be high for this
