Heart of a Woman

[unknown]

This song is dedicated to all of the ladies from all of the men
Simply because yall go through so much
And we want yall to know that we recognize thatThere are so many answers to the question what yall do for us
And so many reasons for the word why we love on yall
For instance how you just take us and lift us up
Give us chance after chance and we still find a way to Fuck things up
And sometimes yall go and blame yourself for the things we do
Cause you love us so much our lies become the truth
Yall try so, so hard to make things work
Finding a way to smile just to keep from showing your hurtingIts your mind versus your heart versus your soul versus your body
Versus our bullshit and our ego and our pride
Thats why I love the word woman (oh I love, I love)
Yall are so tough yall put up with so much
Thats why I love the word woman (oh I love, I love)
And yall so full of trust and besides yall know us
Thats why I love the word woman
Time and time again yall let us back in
And I love yall so much I gotta spell it out
W-O-M-A-N thats what its all about, yeahSometimes I think that were the reason why yall be stressing out and smoking
Cigarettes, mmm yes I do
And sometimes I think were the reasons yall be snapping off on your kids and
Having fits, somebody feel me
Ladies when its that time of the month and yall really dont feel like being
Bothered
And sometimes we take yall hearts for granted I know yall gotta ask yall
Selves sometimes why do I even put up with itIts your mind versus your heart versus your soul versus your body
Versus our bullshit and our ego and our pride
Thats why I love the word woman (oh I love, I love)
Yall are so tough yall put up with so much
Thats why I love the word woman (oh I love, I love)
And yall so full of trust and besides yall know us
Thats why I love the word woman
Time and time again yall let us back in
And I love yall so much I gotta spell it out
W-O-M-A-N thats what its all about, yeahFellas just swallow your pride for a minute and grab your lady by the hand and
Sing

Baby Im sorry for the drama that I caused you
Yall are the backbone of every family this much is true
I recognize being a woman the things yall go through
And I appreciate every single one of you
Baby I promise from this day I will show respect
I promise to love yall yeah
With all of my might yeah
Ill even burn a candlelight
Because we are here cause yall paid a price
And thats why I loveIts your mind versus your heart versus your soul versus your body
Versus our bullshit and our ego and our pride
Thats why I love the word woman (oh I love, I love)
Yall are so tough yall put up with so much
Thats why I love the word woman (oh I love, I love)
And yall so full of trust and besides yall know us
Thats why I love the word woman
Time and time again yall let us back in
And I love yall so much I gotta spell it out
W-O-M-A-N thats what its all about, yeah
