

Mission of Mercy

Doro

Walkin' on the wire
Livin' on the edge of time
Lost in our desires
We're never satisfied Waiting for the wonder
You could really lose your mind
'cause fate is no hunter
And fear can only make you blind We're hiding so much pain
But it is all in vain
Livin', lying for a Mission of mercy
Rescue me and I will be your
Mission of mercy
Set me free and I can be your
Mission of mercy
Mission of mercy Drownin' in emotions
Tryin' to swim against the tide
The devil is in motion
And someone's always sacrificed We're hiding so much pain
But it is all in vain
Livin', lyin' for a Mission of mercy
Rescue me and I will be your
Mission of mercy
Set me free so I can be your
Mission of mercy
Mission of mercy We're hiding so much pain
But it is all in vain
Livin', lyin' for a Mission of mercy
Rescue me and I will be your
Mission of mercy
Set me free so I can be your
Mission of mercy
Mission of mercy
Mission of mercy...
