

King Kong

Shanadoo

King kong

Watashitachi to issyo ni
Parapara wo oboemasyoh

Dakishimete king kong do it right
Kono machi wa jungle all night long
Kimidake wo sagashiteta
Konokoi wo zettai tsukamoh

Tatta hitorino king kong hold me tight
Hajimete no love chance dakara
Furimuete onegaiyo
Imasuguni ding dong my king kong

Let's go out
Yozora wo meguru anoryuhseh
Kokoro ni ochitano kimino she
Machidewa daremoga koe kakeai
Galasu ni utsuru lonely eye
Koi no risoh wa bijo to yajuh
Hanaretetatte itsumo muchuh
Tobidashitai hontohsa
Dokodatte tsuiteiku

Dakishimete king kong do it now
Mayoisoh jungle all night long
Nanimokamo kaetaiyo
Futarinara zettai kanau

Kitto watashi no king kong only you
Itsudatte jitto shitenaide
Omoikitte saratteyo
Kokorokara ding dong my king kong

Dokoikitai nanigashitai
Shiranai umimo mitemitai
Hayasugirutte iwaretemo
Heart wa kyuhniwa tomaranai
Rakuen motto betsuno basho

Deguchi kitto mitsukemasho
Koetemitai hontohsa
Sokokara sakiwa sohtoh iih

Dakishimete king kong do it right
Kono machi wa jungle all night long
Kimidake wo sagashiteta
Konokoi wo zettai tsukamoh

Tatta hitorino king kong hold me tight
Hajimete no love chance dakara
Furimuete onegaiyo
Imasuguni ding dong my king kong

Kimidake wo sagashiteta
Futarinara zettai kanau

Dakishimete king kong do it now
Mayoisoh jungle all night long
Nanimokamo kaetaiyo
Futarinara zettai kanau

Kitto watashi no king kong only you
Itsudatte jitto shitenaide
Omoikitte saratteyo
Kokorokara ding dong my king kong
