

# No One Moves No One Gets Hurt

## Bedouin Soundclash

Ooooooh.

Ooooooooooh.

All things you kept frozen in the frame  
When I heard the news from you today.  
Long had in the need my friend believe  
That in the union we will be saved.

So as you are.

As you were.

No one move,  
No one gets hurt.

Gentlemen.

As you are.

We all lose.

We all get hurt.

I've hurt, I've hurt, I've hurt, I've hurt.

Oh I've hurt, I've hurt, I've hurt.

The stormy skies we struggle as we climb  
Up to the top. That cover you.

You will make it to the other side.

And I will take that burden from you.

So as you are.

As you were.

No one moves,  
No one gets hurt.

Gentlemen.

As you were.

We all lose.

We all get hurt.

I've hurt, I've hurt, I've hurt, I've hurt.

Oh I've hurt, I've hurt, I've hurt.

Oh I've hurt, I've hurt, I've hurt.

Oh I've huuuurt.
