# Colour The World

## Sash!

Colour the world, colour the world
Colour the world, colour the world
(African)Colour the world for me and the 'Sambe'
Colour of the skin doesn't speak for you
Make this world a much better place
Together we can colour the world(African bridge)Colour the world, colour the world
Colour the world, colour the world(African)Colour the world, colour the worldIt's our world, colour the world,
Different colours, different race
Colour the world for everyone
Together we can colour the worldColour the world, colour the world
Colour the world, colour the world(African)Colour the world, colour the world
