

Someone Like You (feat. Michelle Andrade)

Aaron London

Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love
But sometimes it hurts instead

I Find Hard just To Leave My House
Ever since You Stopped Coming Round
Mother always said You were The One
I Also Thought You Were
Till I Found Out What You'd Done
I Ain't Told My My Mum
It Would Break Her Heart
Like It Broke Mine
Tore Apart
You'll Never Know The Damage
You Caused
Well Its The End Of The Show
Everybody Give Her An Applause
And at The End Of The Day
This Situation
Can Make An Atheist Pray
Forgave You And Ask You To Stay
But You Said You Couldn't Live
With That Guilty Conscious In Your Brain
I even Find It Hard To Cry
Behind My Harden Eyes
I swore
I'll Find Another
Like You
Lemme Move On with my Life

Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love
But sometimes it hurts instead
Sometimes it lasts in love

But sometimes it hurts instead,

VERSE 2

Its Been A Couple Months Now
I've Tried To Move On
I've Got A Another Girl Now
And She Takes The Blame
I Treat Her Like Dirt
For The That You Made
I Can't see Her For Her True Self
my Vision's Been Blurred
By The Rage That You Dealt
And Every Time I See Her
I See You
And Feel the same Pain That I Felt
So I Became Unfaithful
and said it to her face
And Laid My Cards Across The Table
I Hate You
So I Hate Her
Every time I Try To Make It Up
I Fail
See I Wish I Treated Her Better
Instead I Cheated And Left Her
So What Make Me Better Than You
I'm No Better
I'm A Fool Too

Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love
But sometimes it hurts instead
Sometimes it lasts in love
But sometimes it hurts instead,

I hate to turn up out of the blue uninvited
But I couldn't stay away, I couldn't fight it
I hoped you'd see my face and that you'd be reminded
That for me, it isn't over yet

I Don't Care Who Left WHO
I Wish I Had Never Met You
Never Mind
I'll Never

Find Someone Just Like You
Someone Who Will Love Me
Just The Way I Am
Won't Give A **** About My Flaws
Someone Won't Give ***** A Damn
Someone That Will Keep Me In Line
Someone That Will Give Me All Their Time
Someone That Tells Me Whats What
And Tells Me Whats On Their Mind
And Won't Ever Leave Me
Someone That Will Keep Me In Line
Someone That Will Give Me All Their Time
Someone That Tells Me Whats What
And Tells Me Whats On Their Mind
And Won't Ever Leave Me
Please Don't Leave Me

Never mind, I'll find someone like you
I wish nothing but the best for you, too
Don't forget me, I beg, I remember you said
Sometimes it lasts in love
But sometimes it hurts instead
Sometimes it lasts in love
But sometimes it hurts instead, yeah
