

# Real Solution #9 (Mambo Mania mix)

## White Zombie

Who will survive and what will be left of them?  
Apocalyptic dreams see the ordinary madness  
Who will survive and what will be left of them?  
I never lock the dogs when the wolf is in the darkness  
Come on, come on the motherfucker's on fire  
He cut through the bone, he cut through the wire  
Come on, come on the motherfucker's on fire  
He cut through the bone, he cut through the wire Yeah, yeah, yeah, yeah Who will survive and what will be left  
of them?  
Into another world number nine bring the death in  
Who will survive and what will be left of them?  
Loser take it all, getting high on the kick in Yeah, yeah, yeah, yeah Who will survive and what will be left of  
them?  
Got 24 hours of psychoholic magic  
Who will survive and what will be left of them?  
Illuminate the face and the eye of the serpent  
Come on, come on the motherfucker's on fire  
He cut through the bone, he cut through the wire  
Come on, come on the motherfucker's on fire  
He cut through the bone, he cut through the wire Yeah, yeah, yeah, yeah I'm already dead
