

# Youâ€™ve Been a Friend To Me

[Bryan Adams](#)

If you say up, I say down  
We're the most unlikely pair  
But up or down, high or low  
You've always been right there You've been a friend to me, a godsend to me  
I ain't too proud to say  
You've been a friend to me Now if I'm feeling lowdown  
Or feeling ten feet tall  
Thick or thin, the shape I'm in  
Don't matter to you at all You've been a friend to me, a godsend to me  
I ain't too proud to say  
You've been a friend to me Whenever I needed someone  
You're right there on the line  
With a friend like you, to get me through  
I'll get by every time Whenever I needed someone  
You're right there on the line  
With a friend like you, to get me through  
I'll get by every time You've been a friend to me, a godsend to me  
I ain't too proud to say  
You've been a friend to me
