End Of The Sky (Phil Bodger Mix)

Lighthouse Family

Would you like to go somewhere unbelievable?
Where the great big blue sky seems to last forever
Cause I feel like I'll leave it all behind
Living in the sunshine, that's where I'm going
And I don't think there's anything here that I'll be missing, do you?
No, I don't think there's anything else to doSo bring on the sunshine
We're gonna fly to the end of the skyI've got to go 'cause I ain't indestructible
And I feel like I'm breaking
Running round for nothing
But I'll be all right
I'm not a million miles from seeing the daylight
That's where I'm goingAnd I don't think there's anything here that I'll be missing, do you?
No, I don't think there's anything else to doSo bring on the sunshine
We're gonna fly to the end of the skyBring on the sunshine
We're gonna fly to the end of the skySo bring on the sunshine
We're gonna fly to the end of the skyBring on the sunshine
We're gonna fly to the end of the skySo bring on the sunshine
We're gonna fly to the end of the sky
