

End Of The Sky (Phil Bodger Mix)

Lighthouse Family

Would you like to go somewhere unbelievable?
Where the great big blue sky seems to last forever
Cause I feel like I'll leave it all behind
Living in the sunshine, that's where I'm going
And I don't think there's anything here that I'll be missing, do you?
No, I don't think there's anything else to do So bring on the sunshine
We're gonna fly to the end of the sky I've got to go 'cause I ain't indestructible
And I feel like I'm breaking
Running round for nothing
But I'll be all right
I'm not a million miles from seeing the daylight
That's where I'm going And I don't think there's anything here that I'll be missing, do you?
No, I don't think there's anything else to do So bring on the sunshine
We're gonna fly to the end of the sky Bring on the sunshine
We're gonna fly to the end of the sky So bring on the sunshine
We're gonna fly to the end of the sky Bring on the sunshine
We're gonna fly to the end of the sky So bring on the sunshine
We're gonna fly to the end of the sky
