Hit The Floor (Pi-Tec overcore

Linkin Park

There are just too many times that people have tried to look inside of me
Wondering what I think of you well I protect you out of courtesy
Too many times that I've held on when I needed to push away
Afraid to say what was on my mind
Afraid to say what I need to say
Too many things that you've said about me when I'm not around
You think having the upper hand means you gotta keep putting me down
But I've had too many standoffs with you it's about as much as I could stand
So I wait till the upper hand is mineOne minute you're on top
The next you're not, watch it drop
Making your heart stop
Just before you hit the floor
One minute you're on top
The next you're not, missed your shot
Making your heart stop
You think you've won
And then it's all goneSo many people like me that put so much trust in all your lies
So concerned with what you think to just say what we feel inside
So many people like me walk on eggshells all day long
All I know is that all I want is to feel like I'm not stepped on
There are so many things you say that make me feel you cross the line
What goes up will surely fall, and I am counting down the time
Cause I've had so many standoffs with you it's about as much as I could stand
So I waiting until the upper hand is mineOne minute you're on top
The next you're not, watch it drop
Making your heart stop
Just before you hit the floor
One minute you're on top
The next you're not, missed your shot
Making your heart stop
You think you've won
And then it's all gone
And then it's all gone
And then it's all gone
And then it's all gone
Now it's all gone.
I know I'll never trust a single thing you say
You realize you divide us but you lied anyway
And all the lies have got you floating up above us all

But what goes up has got to fall
