

Come On Over

Shania Twain

Get a life-get a grip
Get away somewhere, take a trip
Take a break, take control
Take advice from someone you knowCome on over, come on in
Pull up a seat-take a load off your feet
Come on over, come on in
You can unwind, take a load off your mindMake a wish-make a move
Make up your mind, you can choose
When you're up, when you're down
When you need a laugh come aroundCome on over, come on in
Pull up a seat-take a load off your feet
Come on over, come on in
You can unwind, take a load off your mindOh, oh, ohBe a winner, be a star
Be happy to be who you are
Gotta be yourself, gotta make a plan
Gotta go for it while you canCome on over, come on in
Pull up a seat, take a load off your feet
Come on over, come on in
You can unwind, take a load off your mindGet a life, get a grip
Get away somewhere, take a trip
Take a break, take control
Take advice from someone you knowCome on over, come on in
Pull up a seat-take a load off your feet
Come on over, come on in
You can unwind, take a load off your mindCome on over, come on in
Come on come on in
I said yeah yeah
Oh, oh, oh
Come on over, come on in
