

Some Bar By the Harbor

Barry Manilow

Sailin' can save me
Or I drown evermore
But I'm on the waves
With you on the shore Never mind one fine day
In some bar by the harbor
I'll find you There you'll be as you were
Corner stool by the jukebox
Waitin' for me I can remember Sweet child, gone a mile
Swayin' your head
To the crazy ragtime Sayin', "Hey you got a quarter?
Hey, you look familiar
Hey, you got a quarter?
Let's dance to the ragtime" Slow down, don't time fly
Chased your smile
To some cold dingy attic Now memories of a room we shared
Heaven and home to me
Longer and longer ago I can remember Time's up
Callin' ships all of the sounds
Of a restless harbor You said, "Hey you look familiar
Come on you remember
Hey, you got a quarter?
Let's dance to the ragtime" Sailin' has saved me
From drownin' evermore
But I'm on the waves
And you on the shore Never mind one fine day
In some bar by the harbor
I'll find you Boozy, scared, breakin' down
Tellin' the bouncer be cool
'Cause you're waitin' for me Like I been dreamin' That's you, swingin' 'round
Pushin' your way
Like a star to the jukebox Sayin', "Hey ya' got a quarter?
Hey, don't you remember?
Let's dance to the ragtime" Hey, ya' got a quarter?
Hey, don't you remember?
Why must I remember? Never mind one fine day
In some bar by the harbor
I'll find you, I'll find you, I'll find you And will dance to the ragtime
Yes, will dance to the ragtime
Will be dancin' to the ragtime

Yes, will dance to the ragtime
