

The Lords Prayer

Mahalia Jackson

Our Father, which art in Hea-veen,
Hallo-wed be thy name.
Thy kingdom come, thy will be done,
On-d Earth (aith) as it is in hea-ven.
Geev us this day, our daily bread; And forgive us our debts,
As we forgive our debtors.
And lead us not into temptation,
But deliver us from ee-vill:
For thine is the kingdom,
And the power, and the glo-o-ry,
Forever, A-a-a-main.
